HIGH PROFILE MARKETING ACTIVITY

OFFSITE EXPO has a comprehensive range of sponsorship packages available. These have been designed to be flexible and offer a wide range of promotional opportunities to suit any marketing aims, resources and budget. If you do not have the resources to take an exhibition stand or perhaps if you sell a service rather than a product then sponsorship is often the best way to raise brand awareness and to highlight what you do to a defined and captive audience.

Or perhaps you already have an exhibition stand at the show and want to raise your profile above your competitors?
